MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Definitive Contract No. SS-100 with General Dynamics Corporation, Convair Division, San Diego, California
Project SGAPEX (CHAMPION)

1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is set forth in Paragraph 6.

2. Contract SS-100 is the Definitive Contract contemplated by Letter Contract No. SS-100 dated 22 June 1958 between the Agency and the subject contractor. This contract is on a Cost-Plus-a-Fixed-Fee basis and covers the design and configuration studies of an air vehicle involving the boost-glide and/or boost-cruise principle. This Definitive Contract supersedes in its entirety Letter Contract No. SS-100. The work is under the joint technical direction of the Agency and the Navy and is expected to be completed 30 September 1958.

3. No additional funds are being obligated by this Definitive Contract No. SS-100. A total of \$59,868.00 chargeable to Fiscal Year 1958 Project CHAMPION funds was previously obligated under the Letter Contract.

5. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
